

TOPICAL SALVE

This combination of ingredients is appropriate for application on moles, warts, lesions, age spots, skin tags, etc. If possible, cover the treated area with gauze, gloves or a protective covering to hold the salve in place.

Apply twice per day for optimal results.

5 capsules Immune 7 or 1 tsp. mushroom blend powder
3 drops Oil of Oregano
3 drops Grape Seed Extract
1 tsp. Castor Oil
1 tsp. Baking Soda (adjust to create consistency you wish)

Options:

Essential oils are antifungal and the ones noted below have shown to be beneficial. Add 1-2 drops of one or more of the listed oils to the paste and adjust to skin sensitivity.

- Lavender
- Tea tree
- Lemon
- Thieves
- Frankincense

OPTION: Add a few drops of Structured Silver liquid or apply Structured Silver Gel.

LUMPS, CYSTS & TUMORS

1 tsp. 33% Hydrogen Peroxide
2 ounces water
1-3 drops of organic high quality Peppermint Essential Oil

Saturate a cotton pad and place on area of concern. Keep this on area as much as possible (bedtime is a good time). Apply to a test area during the day to monitor your skin's response. **This should NOT be applied directly to open sores, lesions, etc.**
