

# AstaKrill

The *ULTIMATE* Astaxanthin-Enhanced Omega-3

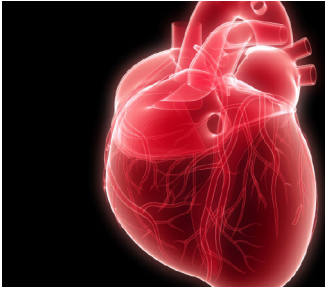

## AstaKrill... The **ONLY** extra Astaxanthin formula!

- ▶ Superior cardiovascular anti-inflammatory and antioxidant.
- ▶ Outshines fish oils and statins in lowering LDL and boosting HDL.
- ▶ Unique Omega-3 phospholipids deliver potent cell assimilation.
- ▶ Boosted Astaxanthin delivers elite muscle and powerful antioxidant protection.

## AstaKrill

- Delivery - Omega-3s and Astaxanthin from krill are attached to phospholipid molecules, a benefit unique to krill. This enhances transportation and accessibility across the cell membrane barrier.
- EPA & DHA - provides the best cell concentrations and the highest bioavailability.

Rigorously  
researched and  
strong scientific  
validation for  
proven safety  
and efficacy

- It's Brain Food - the phospholipid aspect enhances permeability of the Omega-3s and antioxidants across the blood-brain barrier.
- Stabilized - Potent antioxidant stability with naturally occurring and added astaxanthin.
- Astaxanthin - Provides superior antioxidant protection against singlet oxygen species, free radical damage and lipid peroxidation.
- USA Triathlon Team - Elite athletes use this for superior anti-inflammatory results and enhanced skeletal muscle stamina and endurance.

## AstaKrill Astaxanthin Health Benefits

**Physical Endurance** - Boosts muscle endurance and recovery.

**Eye Health** - Reduces eye fatigue.

**Skin Health** - Reduces inflammation, wrinkles (UV induced), and risk of skin cancer.

**Gastric Health** - Reduces gastric symptoms, dyspepsia and inflammation.

**Cardiovascular Health** - Improves cardiovascular conditions, reduces hypertension and increases blood flow.

**Metabolic Health** - Improves Type II diabetes, increases lipid metabolism.

## AstaKrill Recommendations:

### **Cardiovascular Health**

- Helps maintain cardiovascular health - 2 caps daily.

### **Cholesterol Management**

- Helps reduce the LDL cholesterol levels and increase HDL cholesterol levels (in conjunction with conventional statin therapy) - 2 caps daily.
- Helps reduce serum triglycerides/triacylglycerols (in conjunction with conventional statin therapy) - 4 caps daily.

### **Joint Health**

- Helps reduce pain associated with osteoarthritis - 1 cap daily.
- Helps reduce blood C-reactive protein levels, a clinical marker of inflammation - 1 cap daily.

### **Women's Health**

- Helps relieve symptoms of dysmenorrhea and PMS - 4 caps daily.
- 

**Medicinal ingredients:** Each gelcap contains:

- SuperbaBoost™ Krill oil (*Euphausia superba*, whole) 500 mg
- DHA (Docosahexanoic acid) . . . . . 45 mg
  - EPA (Eicosapentaenoic acid) . . . . . 75 mg
- Haematococcus pluvialis (6 mg Astaxanthin) . . . . . 60 mg

**Non-medicinal ingredients:** Gelatin, glycerin, water, sorbitol, extra virgin olive oil, d-alpha tocopherol.

**Recommended dose (adults):** Take 2 gelcaps once a day (with food) or as directed by a health care practitioner.

**Recommended duration of use:** Consult a health care practitioner for use beyond duration of 8 weeks.

**Caution/warnings:** Consult a health care practitioner prior to use if you are pregnant or breastfeeding. Consult a health care practitioner if you have problems with coagulation or are taking anticoagulants or other medicine before taking this product.

**Contraindications:** Individuals allergic to marine products (fish, crustaceans, mollusks and other seafood) should not take this product.

Keep at room temperature in a dry, dark place. Keep out of reach of children. Safety sealed for your protection. Do not use if safety seal is broken or missing.

BIOMED.

Quality. Excellence. Beyond Medicine.
