Caution/Warnings:

Consult a healthcare practitioner prior to use if you are attempting to conceive, if you are taking medications or natural health products, if you have liver disorder or symptoms of low estrogen (such as joint pain, mood changes, changes in libido, hot flashes, night sweats, vaginal dryness or irregular menstruation). Consult a healthcare practitioner prior to use to exclude the diagnosis of a serious cause of hormonal imbalance. Stop use and consult a healthcare practitioner if you develop liver-related symptoms (e.g. yellowing of the eyes and/or skin, dark urine, abdominal pain, jaundice) or symptoms of low estrogen. Consult a healthcare practitioner if symptoms persist or worsen.

Contra-Indications: Do not use this product if you are pregnant or breastfeeding. Stop if hypersensitivity/allergy occurs.
